She was preceded in death by her parents; her husband, and a son, Ricky Dale Masterson.

Cremation services have been entrusted to Crain Funeral Home and Cremation Service. A private family burial will take place at Olive Branch Cemetery. A celebration of life service will be announced on the funeral homes website at a later date.

“ My heart breaks over the loss of " Mama Lou". She loved all the kids who grew up with and were friends with her boys, and treated us all like her own. She fed us, made sure we made it home safe after all our "gatherings" at Horseshoe Lake, listened to our problems and let us cry on her shoulder if we needed to. She was a great lady and one of the most loving I've ever known. I will miss running into her at Walmart. as we would see eachother there often. Fly high Mama Lou. If the angels in Heaven actually have wings, you've certainly earned yours. I love you. See you again soon!

I met Lucille in High School and liked her immediately. It saddens me to know that she is no longer here. Prayers for her loved ones left behind, but—Until Then—
