“ We would like to extend our deepest heartfelt sympathy and love to Jon Primm and the Mosley family during the loss of their beloved Mother, Daughter Sister and Aunt. Our family has truly been blessed to be a part of the Mosley family for close to 6 decades. From the day they moved next door as our neighbors our lives was enriched in so many ways. Lucy was very loving and kind individuals and exhibited respect to all she met. She was giving and considerate of others. As a mother, she truly loved her son Jon. Lucy devoted time caring for both of her parents and was a loving sibling to all of her brothers and sisters. We are so very thankful that our lives crossed, and we were blessed to be a part of hers. I do believe that all of her good days did outweigh her bad days and Lucy was one that never complained. Weeping may endure for a night, but Joy will be cometh in the morning. Please know that we are uplifting your family each day in prayer. Love the Mitchell Braxton and Smith Families
