“ I could go on and on about Lynn Rae for hours but I'll just say , I feel like you left me to walk in your shoes to take your place with the babies. I can't. I'll try but I don't think there is anyone that could be as devoted as you. I promise to do exactly what you told me to do and always tell them how much you love them. I promise to keep your memory alive. I promise to be at every event for them and take pictures. Thank you Lynn, thank you for all you have ever done for me and the kids. You will always be in my heart, I love you

“ Lynn R. Webster will be missed by so many. When she started having health issues she told me she was happy that Brad her son, was only a phone call away and he responded many times. She confirmed to many that she knew the Lord and was ready to go. Her pride and joy was Sunnie and Zach her grandchildren. Her extras were her precious greatgrands. Lynn R. have a love for people and never met a stranger. She will be sorely missed but she is at peace.
