“ Makaylee, I sit here missing you, I wish my love for you could have protected and saved you. I wish I could hold you one more time but to be honest that would never be enough. You gave me so much love in your short life and took a piece of me with you when you left. I don't know how to live and love without you. I pray every sleepless night and tear I cry God gives to you as a hug and kiss. I love you, Sweet Pickle.

“ Makaylee

*It's been one month that God took you in his arms but I'm a selfish Aunt that wants you here in mine.*

*I loved you with my whole heart and now I love with all the pieces.*

*I wonder what you would have learned this month?*

*I wonder what crazy fun thing you would have given my life?*

*I wonder why?*

*You were such sweet amazing joy that awoke every morning with a smile. I swear the sun would rise just to see it too. I close my eyes and I see it still. I miss your beautiful soul and I always will.*

*Makaylee Lily Mae Asa*

*Too beautiful for earth...*

*You will always be my Sweet Pickle.*
