“ *Marcella, I was very sorry to see the notice in the newspaper today 7/28. I was in Cheyenne WY visiting my sister for her 80th birthday . I can still fondly remember you and the other nursing staff especially in the Peds department. You were the best and I can not thank you enough for the dedicated service to us and the patients. You always were a professional and I know that you will have a special place in Heaven. Sincerely,
Dr. Hamilton*

“ *I have very fond memories of the nurse Marcella. She always took wonderful care of me at Carbondale Clinic the whole time I was growing up. I never wanted anyone else but her to give me my shot! She was so kind and loving and caring. What a wonderful Angel she will make. Rest in peace my favorite nurse of all time.*

*Love

“ *So sorry to hear about your mom. I remember the good times we had at your home on Pecan St. My goodness that was a long time ago.*
She was with me at Doctor's Hospital when I had my first two girls. It was such a comfort to have her there. She was such a soft spoken gentle person.

“ *I was a pediatric patient and Marcella was my nurse. She was always so kind and loving. I always got a balloon and a hug. She was certainly an angel here on earth.*
