“ *We know you have had struggles with your Mother's health and we are sorry you have had to endure the resultant stress. It saddened us to learn of your loss of her life, but her suffering is over and she can now have the truly greatest adventure. Our pain remains, but hers is gone. God will heal us, through His grace and through Jesus Christ.*

Many Rich Blessings on you & your family.

“ *My deepest sympathy to Uncle Dick and all of my cousins. I unfortunately could not make the trip back home but I am with you in spirit. Childhood memories on the Crews side of the family include all of the wonderful meals (especially those chicken & dumplings), functions and fun at Aunt Margaret's house. It is a great loss but we know she is in a better place....at rest.*

*Love,
Alyssia*

“ *We are so sorry that we are not with you during Margaret's visitation and funeral. That is the price we pay for being in Arizona -- so far away and getting older, too.*

We fondly remember all the good times of so many great family get togethers -- Thanksgivings and reunions especially! Our family owes her (and Dick) a lot for all she has done to keep us all together happy and full of gooooood food!

Our thoughts and prayers are with each and every one of you. And we know she is in a better place now and no longer must suffer the indignities of her illness. May God bless you all.

Love, Don & Everice
