“ Dear Shelly and family, your mom was always so sweet when I spent the night with you and you would cry over David Cassidy 😊. My own mother is listed today in these obits with Margie. Her name is Freida Sheible and little did we know some day we would lose our beautiful mothers on the very same day. I hope you remember me from those days back in the early 70s. Marcy Money Abernathy but school made me go by Mechelle! Maybe our moms will meet in Heaven and have good laughs discussing our shenanigans. May God bring you and your family peace and comfort.

Oh Marcy I remember! So long ago. I am so sorry about your mother, sending prayers for you and your family. I hope our mothers do meet in heaven and talk about us!
