“ All these years we watched my kids grow up, took care of Preston half of his life. Past 2 years Sunday night - Thursday and then Monday- Friday. Told a lot of stories, secrets, how we both wanted to be cremated and I didn't want any service at all and you wanted all your friends and family say goodbye. You loved Joey so much. Your soulmate you would say. You loved no matter what, you saw the good in everyone. Regardless of your pain. You loved unconditionally. Something that very few has. Preston, Tiffany, Mom(Sharon) and I will always have you in our memories and our heart. We will always be a phone call away for Joey.
