When I am gone, release me let me go. I have so many things to see and do. You must not tie yourself to me with tears. Be happy that we had so many years.

I gave you my love, you can only guess. How much you gave me in happiness.

I thank you for the love we each have shown. But now it's time to travel alone. So grieve awhile for me if grieve you must. Then let your grief be comforted by trust.

It's only for a while that we must part. So bless the memories within your heart.

I won't be far away, for life goes on. So if you need me call and I will come.

Though you can't see or touch me I'll be near. All my love around you soft and clear. Then when you must come this way alone, I'll greet you with a smile and say "Welcome Home".

Memorial contributions may be made to Zion United Church of Christ in Marion, IL. and will be accepted at the funeral home.

“ *Marilyn was a beautiful person both inside and out. She was a treasured friend to me as is Ernie. I have missed seeing her often and her sweet smile and kind words. Marilyn cared about so many people so much as we all cared about her. She will be dearly missed but leaves me a better person for having known her. I will count her as a very special angel. “ *Marilyn was one of the most selfless, sweetest, kindest people I have ever known. She always thought of others before herself, and always had a kind word to say. Even during the declining days of her illness, she emitted a realistic, calm, and quiet dignity in accepting death. She was an inspiration to me, and she will be one of heaven's BEST EVER ANGELS. I will definitely look forward to meeting her again one day! Wishing much love, and many prayers to her family in their time of grief. Please know that many of us grieving with you.*

“ Just want all of Marilyn's family to know how much Marilyn meant to me. She was like a sister, always there to listen when I needed someone to talk to. She always made me feel like I could get through my trials however troubling they were. She was a fighter and never complained when her health declined. I am so blessed to have been her friend.my deepest sympathy to Ernie, Stacy, Jodi, Kevin and all of her beautiful grandchildren and great-grandchildren . I was fortunate enough to see her the day before she passed to tell her how much I loved her, her exact words to me were "You know what? I love you too!" A comforting ending to a wonderful friendship.

“ I used to live close to Marilyn and her family while in Jr. High and High School. Her daughter Staci was my best friend and we were at each others' homes very often. Marilyn was so sweet and kind and always made me feel welcome and like a part of the family. Her love and kindness was passed down to her children and their children, and the world is a better place because of it. My love and prayers to her family. I pray the Lord will surround you all with His love, and strength, and peace. Love, Linda (Boyles) Turoski
