“ I remember and will never forget that he was a good person with a big heart . He was one of a kind and truly made a positive difference in my life. He and I had chosen to be family despite lack of shared DNA. He was my Dad because he choose to love me as his daughter and be the father I never had. He was a lot sometimes, but I loved him as my dad and felt blessed too have him come into my life and volunteer to my dad! He believed in me and always loved me no matter what! I was honored to call him my dad . I wish I had , had more time with him but I know that he is with reunited with my mom and his dog max in the afterlife! He will live forever in my heart! (Thank you for being the dad you didn't have to be!) 💖🕊️🌀. Love always your daughter by choice, I miss you dad!!, 🥺. Sincerely Lynsey
