“ *Grandma, you were one special lady! I remember our drives around the lake and brown cow chocolate drinks. Grandpa always had a can of peanuts and a roll of Bounty paper towels in the car. Amy and I looked forward to spending the night at your house because you would cook fried eggs and Grandpa would cut them up for us. We had the best fried fish in the area. I sure do miss you, but I know Grandpa and Uncle Ronnie were so happy to see you! I love you! Save me a seat...*

“ Grandma, you are already missed here on this earth, but we know that you are now in Heaven and no longer suffering. We will never forget the awesome lady that you were. We will never forget all of our family fish dinners and laughs that came with them. You were one in a million. Say "hi" to Grandpa. We love you both so very much!!!
