“ Dear Beth, Bill and James, Lee and I regret that on the 24th we will be out of town (Carterville is our new home). We are heartbroken that we will not get to personally express our deepest sympathies to you. Mary Ellen was such a good friend to Lee, me and our children. Your mom was a unique person who truly was sent by God as a helper to those in need! She seemed so confident in what she wanted to accomplish. What a heart of gold she had. Mary Ellen never minded when I would unexpectedly show up at her front door to say hello while I was on my bike rides. I really enjoyed our conversations!!

My favorite memories include the time she allowed Ashley and her movie making friends to use her house for one of their SIU projects. That was sooooo cool!!

What fun I and Judy had when she took us newbies to Metropolis casino!!! Judy and I did not know what we were doing but had fun losing and learning while Mary Ellen, a pro, went to find her favorite machines. It was so nice of her to buy us the buffet. That was the best going away present that anyone had given me!!!

Thank you for including our family into your special moments of your wedding and what an honor it was for Lee and I to be with your mom and dad to give some comfort to your mom during his last days here on earth.

I know your family and her closest friends have missed her sooo much, but I am confident that because of the faith in God that Mary Ellen taught you to have, you are very joyful that she is no longer suffering and now is living in joy and glory in the house that our Lord Jesus Christ has promised us in HEAVEN!!!

GOD IS GOOD ALL THE TIME!!!!

With Love and Respect
