“ *My Mum was beautiful and amazing. And I'm not just saying that because she was my Mum. She truly was everything you could want from a parent, faults not excluded. Anything good that I am or ever will be I attribute to her. I love you Mommy, with all that I am. I know there are dragons where you are and you are flying high and breathing deeply delicious fresh air and laughing at the rest of us schmucks stuck down here with our feet on the ground. I will miss you dearly. I love you Mommy, always and forever.*
