“ I helped Mrs Weber Monday through Friday for the past two and a half years. We spent so much time together. we became very close. I knew her and she knew me pretty well. She was honestly one of my best friends. I say this because she genuinely cared about me and my well being. As I did hers. She taught me so much. Kindness. Forgiving. Never to judge others. To be happy. She always had a big beautiful smile and gave the best hugs. I knew her family better than my own sometimes. I reconize almost every picture in the memory video. The last one with the grandkids..I was there. The family was nice enough to have me over for Christmas. Another memory I'll always have is when We planted flowers together. That was something that made her so happy to see. It rubbed off on me eventually. I never really got my hands real dirty in the dirt before. I Remember She said, She Loved to Get Her Hands in the dirt. She knew how to live. She lived a hard life being born during the great depression. She made me so appreciative to just be alive. I love her and will always miss her. She is with Chase and Amy now. I Know They Are Laughing Together Watching Over The Whole Family. Truly a great person, Mrs Mary Jo Weber.

“ *My condolences go out to you and your family in this difficult time. I would like to share a beautiful Bible hope from God found in Revelation 21:3, 4 that assures us He will wipe all tears from their eyes, and there will be no more death, suffering, crying, or pain. This Scripture has helped me and many others to be able to cope with the loss of a loved one. I hope it helps you also.*
