“ *Hi Jay and Family: All of our sympathy and prayers for comfort on the loss of a wonderful woman. Mary Kay was my Aunt and she always showed me love. I Loved her sense of humor and, except for cancer, nothing could keep her down. She loved living and enjoying life. We still treasure the Beautiful Christmas stockings she made for us our first year of marriage.....all done by her own hands. Mary Kay left a wonderful legacy in you, Jay, and her grandchildren. She loved all of you so much and she will be missed greatly! Joe and Betty, Charlotte, N.C.*

“ Jay: Our families, (mine in Cape and my mom/dad in Murphysboro), have your family in our thoughts at this difficult time. I have many good childhood memories with your mom and you as our neighbors and her kind spirit was always appreciated. I know that you and her were very close and she was very proud of you and your family/children. I also know she recently got out to see one your children recognized at their school too. That speaks to the certainty of love your mom had for your children. What a mom. Last, I want you to know that you and your family did a very compassionate thing by bringing her home with you in her last days. I am proud to have known your mom. You are all in our thoughts and prayers.
