“ *Mary was a volunteer literacy tutor in our program at John A Logan. She was kind and patient and she really did have a great sense of humor. Our telephone conversations would always make my day because she would have me cracking up at my desk. I was so saddened to read of her passing. My prayers go out to the family. Her spirit transcends death and lives on in all the folks she touched. We will miss her.*

“ *I met Mary when I went to EDC in July of 2006. I ended up living there in the independent living program that she was in charge of. I got to know her there. She was very nice to me and we always talked about different issues that interested both of us. I got to be her friend. I saw her over the years at Kroger in Carbondale where I've worked since October of 2008. Last I saw her was a few months ago. She was in a wheelchair and was very pale. I was shocked to see her like this. My prayers go out to all the family and friends of Mary Rogers.*

“ I knew Mary from the Bird Farm days. She was part of a large group of friends. I saw her a few years ago at a Women's Health Conference at John A. Logan. We talked and ate lunch together. Shortly after that, I ran into her at the mall. I attempted to contact her by email but did not get a response. I'm sorry we lost touch after that, and I'm sorry for your loss. My condolences
