“ *Melissa was the best person you could ever meet. Her heart was always full of love just waiting to be given to someone. She was kindhearted, genuine, and forgiving with life. She lived life to the fullest and was the most amazing person. Even though we weren't as close as years past, she holds a special place in my heart and I hope she has a safe journey to heaven, because no one deserves it more than Melly. Rest in Piece my fallen friend.*
