“ *Curtis, Vicki, Nadine and family,
I am so very sorry to hear of Mike's passing. We know his momma and other loving family members are welcoming him in his heavenly home. The loss is huge and we pray for God's comforting Presence to surround, sustain you. I wish I could have been there with you. One of these days, perhaps sooner than we think, separation will be a thing of the past. O death where is your victory and sting? Christ has defeated it and the grave forever. Praise His Name*
