“ *Patty, I am so sorry for the loss of your brother. Losing a sibling is so difficult. I lost my sister to cancer in August and not a day goes by that I don't think of her. Cherish your memories and remember the love that you shared with your brother.*

“ *Cheryl, Taylor, and Nathan,  
We are so very sorry for your loss and your sorrow. Mike was an amazing man and loved you guys so very much. We enjoyed many laughs with him when our daughters went to school together. We love you guys and are praying for strength and comfort at this time and in the future. May the Lord comfort you and keep his arms tightly around you. We are hopeful Mike's legacy will forever be present in the kids and that you guys never leave sight of the love and admiration Mike had for all of you.*
