“ *Mike and I graduated together from high school. We hung out together weekends etc. Mike was always kind, easy going, fund to be around. We always crossed paths from time to time and talked about old times. I was in shock when I heard this news. My heart goes out to the family, and his Son. What happened is just wrong, hard working guy, good family man, and this happens. I am so sorry.*

“ *I first met Mike in 1973 after I married his Uncle Lou. He was a very sweet 9 year old with a mischievous smile. He grew to become a very nice and caring adult and kept his mischievous smile. My fun thing with Mike was to catch him off guard. I would nudge his arm or back or kick his boot. He would turn with his annoyed-aggravated look, realize it was me, give me his mischievous smile and a great big bear hug. We had one of these special times about a year ago when I was in town. I will miss these special moments so much. You were a very special nephew. Mike, please know that you are truly loved and missed.*
