“*Marcie, I was shocked and saddened to see that Mike had passed away. I had no idea that he was having any significant health issues.*

*Mike had one of the gentlest spirits of anyone I have ever met. His love for the Lord and his family was evident. This showed up in his "train ministry." What a blessing it was to have the two of you there at the strawberry festival for so many years. It was a blessing to the children who were there and in turn was a blessing to Teen Challenge.*

*My prayer is that the comfort and grace of the Holy Spirit will be with you and the family in the weeks, months, and years ahead. May God be with you all in a special way.*
