“ *Best grandma ever. She will be missed each and every day . I remember GMA taking on trips and adventures as kids and a tornado came one time and we were at a field in makanda watching a mock battling and she didn't even flitch she just scooped me and Matt up and threw us in a ditch and laid on top of us till it was over. I never felt so safe. That's the kind of person she was always looked out for others.*
