“ *So, as a cousin, I had a lot of fun with Nancy. She gave me measles on an overnight visit and abandoned me on our ghost hunt, but it was all in fun, even the measles. Our trip with Linda to see Aunt Pearl and Uncle Ray was special, and so was the very last one, to Atlanta with Maria Stevens to attend an book signing. I miss her, miss her not being on this old earth, and I didn't know how much until I started writing this.*

“ *We sure had fun working at the state fair and at all the Atherton events. Sending hugs Robinette!*

“ *Nancy is still beautiful, I always remember what a happy, fun loving person she was. It was always a party when she showed up at Aunt Mildred's. If Uncle Hot happened to be there too....watch out. Robyn, I know how much you will miss her, I am praying for God's comfort for you and Rebecca.*
