“ Evelyn, have thought of you so many times since you're retirement and Del Farm closing. We recently got in touch with a few former co-workers to visit and catch up and you were in our thoughts that evening. So enjoyed my 17yrs working with you. May you rest in peace Evey.

“ Dear Sissy and Sammy,

*I'm so sorry to hear of the passing of your mother. She was a great friend and support to me growing up. I will always carry in my memory the time I spent with Aunt Evelyn and Uncle Dick on the farm--riding the tractor, riding horses, and fishing Horse Shoe Lake. Both of your parents were kind and hard working people who were an inspiration to me throughout my boyhood. Their generosity and support helped shape the person I am today and I will always be grateful to them. May Evelyn find peace alongside Dick throughout eternity.*

*Love,*
