“ *When I was 18, my brother and I stayed with Paul and Naomi for a summer. Naomi had the best sense of humor and she had the ability to take life with grace and a grain of salt. I remember wanting her around should I ever get pregnant because of her gift of humor when one of her pregnant friends was just starting to go into labor. She was a beautiful soul.*

“ *Many of us are blessed with wonderful sisters, but I was truly blessed that Naomi and I chose to be "sisters in heart". I know you are joyfully hugging Paula now in Heaven but there is a hole left in our hearts down here on earth. You will be greatly missed my friend!! .. Brenda Larry*

“ We shared a birthday and love of working with children. When I first had my surgery she would come pick me up and take me to the retired meetings. When she first had her surgery I would go pick her up so she didn't miss those same meetings until she wasn't able to attend.

“ Naomi was on of the finest people I have ever know! She always had a smile for everyone and a kind word as well! If you looked up the word “kind” in the dictionary you would find Naomi's picture there.
