“ *So sorry to hear about Neal's passing, but I know that he went home to be with his his Lord. I did business with Neal for many years and always had a good time laughing with him and his sons. Neal always had something to say! I thank God for a man that has been so faithful to God and family. He really was one of a kind. I know he will be greatly missed by all who knew him! Just remember the scripture that says, to be absent from the body is to be present with the Lord and to live is Christ and to die is gain! I pray God's peace and comfort be with the family!*
