“ I was surprised and saddened when I learned of Neil's death. We had known each other since day 1 of kindergarten and despite not being close as we grew older Neil always had a big smile and hug for me when we ran into each other. I remember how genuinely friendly and nice Neil always was. I'm sure he never met a stranger. I have you all in my thoughts and prayers during this loss. I hope that you can find comfort in the many memories you have of Neil.

“ Neil was a very nice person. Everytime I saw him he always greeted me with a smile and a happy greeting. It's hard to understand why certain things happen in life to certain people. His is one of the mysteries. My prayer for your family is that smile will be in your memories even if the question why, can't be answered. Know my thoughts and prayers are with you all.
