“ I did not know Nick, but I met his brother Chance when I purchased my new Honda CRV from him. He shared some family information with me regarding his brother and sisters as we waited for my paperwork to get done. Chance, I am praying for you and your family. Nick will always be in your hearts.

“ While he was working for Soo Vape in the mall, he posted on a Facebook, “ Would someone please go to Starbucks and get me an All American with 4 extra shots? I’ll make a deal with you.” I live like 2 miles away, so I went and got what he requested. Took it to him and said, “ There you go. Your one Mom pass from me.” Will miss his humor, smile, and those eyes that lite the room.
