“ *I don't know how to start. I have thought & wondered about Norine many times since she left Pinckneyville, where I was her hairdresser. I called her and visited by phone but feel guilty that we never made time to go by, when she was on Chataqua, as I promised. I think I met 3 of you when she was in P'ville. I enjoyed her so much and so did the other "regulars" who were here when she was. She was one of a kind. I finally sat down to search obituaries and found hers at first funeral home. I'm glad that I did even though so late. I remember her 90th birthday party: we felt so guilty that we couldn't attend bc were out of town. I have her great recipe for sweet potatoes using bourbon and still laugh that she took to a church function! In summary, she was a Hoot!! And that's a compliment!! Norine, RIP*

“ *Deepest sympathy for your loss. We met Norine through church and always enjoyed her. She had a sense of humor and was never afraid to speak her mind.*
