“ My heart goes out to all of you during this sad time. My memories of Aunt Opal are ones of love; each and every time I talked to her on the phone she would talk of love. What a wonderful memory of a dear person. When mom was alive her and Opal talked weekly and I was often included in part of those conversations. I like to think that they had a nice reunion together with the rest of the family, with J.O. and her daughter as well. Please know that we are all thinking of you and sending prayers. Gail, Jep, Gary, Terry, Lauren, Nikki and Kim.
