“ *We are so sorry to hear about Pat. She and Joe Dean were our next door neighbors for 33 years prior to us moving to New Mexico. We would love talking to Pat as she was so full of knowledge and history about Union County. She loved to get out and walk in our neighborhood and would always stop to chat if we were outside. Kim and I are praying for God’s comfort and His perfect peace for all of the family during this time and in the days ahead.*

“ I always remember Pat, even from the days before I first met her, as the lady who left the car at home and walked where she needed to go. I’m sure her health and vigor benefited greatly from her regular walks. Pat was meticulous in the record keeping, and I’m sure in everything she did. She was always a joy to be around and although she was very business minded, she knew how to laugh and she just lit up when she did. My condolences to Joe, Jimmy, Jane and all the grandchildren. God sure makes special people. So long Pat, I’ll see you soon!
