“ *My name is Kathy. I met Pat when our sons played little league baseball in Murphysboro. We instantly became friends. She was always laughing and smiling and it made you feel good to be around her. We were facebook friends and text each other often. The last conversation we had was about how she longed to go to heaven to be with her Mother. Pat and I often talked about past memories and are love for family and God. I will miss you my friend but am blessed to have so many precious memories of our friendship. Fly high with the angels.*
