“ *Deepest sympathy to the family. Pat was one of my volunteers & senior/healthy circle members at the hospital. I considered her a friend, as well. She participated in every exercise class I offered & traveled with me several times. We can only hope to have her “get up & go” as we grow older. Rest In Peace.*

“ Pat was my supervisor, mentor, and friend for over 40 years. She was a very giving and caring person. She was a wonderful example of how to keep living, despite the hardships life may throw at us. I will truly miss her!
