“ *My memories of Patti go back to our childhood. From playing in the yard with Michael in Kankakee, IL to running in the Ozark hills and having the "pet" bunny for dinner, Patti was an uplifting and joyful spirit. I am so sorry I couldn't see her once again.*

“ *Patti was my only full blooded sister I ever had. I wish I could remember more of our childhood but unfortunately due to my illnesses I apparently have a lot of memory loss. I do know that she was one very special person in my life. We had a lot of abuse from our father but we always managed to support each other and get through it. I miss you so badly sis. Maybe it won't be long before we will be together again. I so look forward to that day. Always remember that I love and miss you so very badly.*

LOVE,

MICHAEL RAY DAVIDSON

“ *Patti you are a angel in heaven now where you belong. This world was blessed with your presence and now God has called you home. Family and friends will miss you dearly but one day we will reunite. And in Gods beauties and wonders no pain or suffering ever again to be in sight. Tell everyone we said hi, until next time we see you with your beautiful wings open flying high in the sky. Love you so very much. Prayers for your children. From my children and I from the entire Trexler family.*
