“ *This lovely man always made me feel like a part of the family. He shared his wife and daughter with me always, and opened his home to me. He gave this 10-year old girl another family she could call her own. Thank you Mr. Pat McFadden for being such a comfort to me and for ensuring that along with your wonderful wife and daughter, even if for just a short while, that I was always an Honorary McFadden.*

“ A great man is a man who takes a 4-year-old little girl and calls her his own. My Dad was a GREAT man! I love you so much and will miss you terribly.

“ My father was a great guy. He had his moments but that was just dad. I can say he loved each of his 3 daughters to the fullest as well as each of his 10 grandkids. But the most thing I remember about him is that he loved the military life. Every time I seen him he always telling me a story from when he was in the service. I miss you dad. R.I.P. Until we meet again enjoy visiting and catching up with grandpa, grandma, uncle Bob and aunt Fran. You will never be forgotten.
