“ *I would just like to express my deepest sympathies to Patrick's family. It is always painful to lose someone you love. One of the things that has helped me to cope with my father's passing has been the Bible's promise that God will reunite us with our loved ones by raising them back to life. John 5:28,29 says that "...the hour is coming in which all those in the memorial tombs will hear his voice..." I hope your family can find similar comfort in this difficult time.*
