“ Rest In Peace Pully Paul was a great man that me and my family later called Uncle Paul. He was so good to me and my family. GOD PUT Paul in my life personally right when I needed him and if it wasn't for him I would not be where I am right now professionally. I will miss all of our conversations and wisdom that you shared with me Pully. I will forever be grateful to you my friend. Until we meet again. Love Jason

“ Paul told me so many interesting stories about his life and about his rural home and property when I was his nurse during his hospitalization a few months ago. I will treasure each story he told me, and he is one of my favorite patients. I didn't know him well but I really was struck by his independent streak and sense of fun. Blessings to the family during this time of loss. They were very involved with his care and were always very kind.
