“ We went on the wine trail with him, we took our mom and they had a blast watching all of us singing, dancing and just having good old fun. My brother Scott waited on him and cared for they were best friends, Scott will be lost for awhile because they talked everyday. He was a warm sweet kind man who left us too soon but he talked of love of his life Nancy so finally he is really happy, he teared up every time he said her name.  
*Rest in peace Phil*
