“ I worked with Philip at the Los Banks Enterprise and, although I was happy to take another job at Merced Sun-Star, I was sad to leave my friends at the Enterprise. However, when I walked in to one of my first days on the new job I was thrilled to see that Philip had made the move as well. There was much comfort in seeing a friendly, familiar face and I enjoyed being able to continue our chats. He was such a sweetheart. The world will miss you, Philip. 💙

“ I have so many memories of Philip. He and I had become close friends when we worked together. He really opened up and shared a lot with me. We worked in a very stressful environment, and I could always count on him to take the extra energy to ensure my work was properly completed and sent. He truly cared and loved the people he trusted.

The last ten years, has been really hard for him. For so many reasons.

I have hundreds of long and meticulously detailed emails from him. Many made me laugh. Many made me cry.

My heart just hurts. He was too young to say goodbye.

I know you already know, Philip, but I wanted your family to know how much you really meant to me. Rest peacefully, my friend. - Beth

“ I worked with Phil at Drury. He was a great coworker and friend. I enjoyed hearing about his life in the Air Force and in California, his pets, and his fondness for movies! Talking with him helped many of those late night shifts pass quickly. I'm glad I had the opportunity to know him.
