“ *Hello, I just found out about the passing of Phillip. I dated him when I was a senior in high school. My name was Renee Esselman then, and we went to my Senior prom in Chester. He was my first true love. He was kind and caring and I have never stopped thinking about him. I was not there when he had his motorcycle accident but I was with him at the hospitals diligently. My heart breaks for his family and friends. Please accept my condolences. I am praying to God to give you solace in knowing of the peaceful, beautiful place he is now. He Was Beautiful.*

“ I am so sorry to hear your loss of Phillip. He always had a great sense of humor and loved to tease Leland about shooting his truck instead of a buck. He will be greatly missed. Your family will be in my prayers.

“ Phillip was one in a million. If he liked you he liked you no matter what. Every time we would see him he was the same. The guy that Brad grew up with and we went to school with. The spark in his eyes and his smile will be sorely missed by everyone in this world. What a loss! We are truly sorry for your loss. Your family is in our thoughts and prayer. God bless and keep you!
