“ *Phoebe was the best neighbor as a child growing up. She was a wonderful soul. Full of smiles, advise, and wisdom. She was always full of energy and smiles. Her hugs were invigorating. Everytime I saw her she told me new memories of when I was a child. Her life, 109 years, she touched so many lives and saw so very much. I truly loved her dearly. Her family is forever in our prayers. I envy her, her reunion in Heaven with everyone that had gone on before her.*

“ *Oh my ❤️ this women will ALWAYS have a special place in my heart. She always made my day & was a joy to care for. Even @ 109 she was seriously more motived than half of all generations below her. The world needs more of her. A funny one day i had bent down to help her and toppled over myself and she put her hand out and said "i guess im picking you up today" and we couldnt stop laughing ♡ lol*

“ Phoebe was such a sweet and kind lady. She used to sit behind me at church, I loved talking with her and she always had a hug and a kiss on the cheek for me. Around her birthday she would always say I don't know why the good Lord is keeping me around so long, I would tell her it was so we all could enjoy her. Condolences to her family 🙏🙏🙏
