“ *Raymond was a very polite and respectful individual. I will never forget him and his memories will always live on with me. I can still see him putting his jacket on and taking his cap and putting it on no one can put their cap on like he did. He was very appreciative everytime he would eat at the Lodge Raymond always made it appoint to come to me and tell me Thank You and that sure was a good meal. Raymond was an outstanding person in my book. I will sadly miss him but as I said, his memories will always live on with me and others. Carolyn Cano*
