“ Leon and I first met Becky in the late 70s. One evening Brent brought Becky by to show us the diamond that he had given her. They wanted us to be the first to know they were engaged. Becky was a beautiful person inside and out. She had a beautiful smile and her beautiful eyes twinkled and with a smile as well. Becky was proud of her two boys BJ and Brock and followed them with all their sports activities as well as following Brent with his football games. Her family meant a lot to her. Often, Becky would stop by for a visit and have her dog with her. She loved her dogs. May all the good times and memories that were made over the years put a smile on your faces and warm your hearts. These special times are what Becky would want you to remember and love about her. We are thinking of each of you and feeling sad for your loss. Our deepest sympathies,
Vickie and Leon Bagley.

“ We met Becky and Brent back in the early eighties. We were two newly wed couples so hit it off. We spent nights roasting marshmallows outside our apartment on East Park Street and many sunny days playing games in the back garden of her mother’s house. We are so glad we caught up with them in October 2023 . We valued their friendship very much and are so sad to hear the news of Becky’s passing. We offer our condolences to Brent BJ and Brock.

*Rest In Peace Becky.

“ What a loss. I grew up with Becky visiting with her and her mother when they lived in some apartments by me. Such a beautiful person. I wish we would have reconnected a long time ago. Prayers for her and her family for peace comfort and strength.
