“ Regina was always kind to me, when I was friends with her nephew, Adam, and after when we would run into each other. She always made a point to say hi to me, etc and was always extremely pleasant. I enjoyed my interactions with her and was sad to learn of her passing; I wish I had been able to attend the visitation, but, alas, this post will have to suffice as an offer of condolence to Tom, her kids, grandkids, brothers, and the rest of her family.

“ *Regina has been my friend for over 35 years! We worked together over the years! We had a close working relationship with each other as well as a close friendship! Regina and Tom were always there for me during our fire and tornado. You couldn't ask for better friends! Our last job together with Dr Rubelowsky and Dr Saum were the best years! We will miss her terribly but celebrate her life! I know she is rejoicing in Heaven!*

“ *My best friend in high school. Regina was maid of honor, I was her matron of honor. We were very close. My family moved and we kind of fade away from each other. But I never forgot her. She was my friend 💕. Regina and Tom drove me to O'Fallon to my sons home after our 50th high school reunion. I think back that was a precious time for me. Rekindle friendship and we talk about everything, like where we left off. My heart is heavy, I lost a dear friend, I loved her. Hugs to Tom, Maxine, and the boys, plus to her grandchildren. Hug my Bill, Regina. I won't forget you.*
