“ *Glen did my hair for all his years in cosmetology. He did the first haircuts for my two oldest grandkids. He also cut my daughter and sons hair for many years. He was my friend, my confidant, and I will miss him more than words can say. The last time I saw him , he told me he and I would be dancing around in our 90s. Such a good man. I will miss him. “ So sorry to hear of Glenn’s passing. He was my hair stylist for 35+ years in Marion. Even after moving to Arizona, I still waited until a trip back to Marion to get my hair cut. He was a true friend. My sincere sympathy for his Family and friends.

“ Our friendship goes back about 35 years. Myself and my two sons and grandsons were customers all these years. He was a great man who treated all his customers like royalty. He will be greatly missed.
