“ Rhonda and I for many years thought we were cousins but she felt like a sister. From sleepovers ,talking about boys and make up, to riding in the trunk of a car to Kentucky She was a daredevil and would have me scared at times. She was always so beautiful. Her smile would light up the room.

“ *Well..I could write a book but not enough room for that...Rhonda was the first one that made me an Aunt...She took me on lots of adventures...She always loved the outdoors...She will always have a place in my heart...always be highly thought of ...She had a heart of gold...Of course she was younger than me but I found out right away that she was the boss...Sorely missed ...*
