9 years together,good times,bad times. Hope you are finally at peace along with your Mom Reta. She was a beautiful,sweet lady. I will keep that part of you,so much like her,tucked away in my heart.

“ Rick, our hearts are so heavy over losing you. No chance to say goodbye or to have closure. No place to pay our respects, & nothing to cling on to. God may have you in His keeping-But, we will keep you forever in our hearts & minds. We love & miss you deeply Brother. Until we meet again, we take this chance to say goodbye for now. It's especially hard that you passed on our (Lee & Tammy Miller) 26th anniversary. So each year as we celebrate our love for each other, we will also celebrate the life you had & the friendship you gave us. We may not be family by blood. But, we were family in heart & by choice. May you rest in peace with God until we're together again. Play the beautiful music you played here on guitar in that Heavenly choir. Our thoughts & prayers go out to your family.

Tammy, I appreciate what you wrote. I am sure the sentiment is felt by others, including myself.

TY Melissa. Not certain how u know Rick. But he is deeply loved & missed. Are you Levi's girlfriend? If so, I apologize as I'm not good with names & only met you once.
