“ *Karen - we are so sorry for your loss. Jim spent so much time with him at different meetings (SIEC) and CFC annual meetings. He told us of your battle with cancer and was so compassionate about you. He and Jim spent many hours eating at great places and talking of the places visited, of course co-op issues, and of course beloved family.*

May you be comforted in the day, week, month, years ahead knowing he loved you and the family so very much.

Will keep you in our prayers.

Love in HIM

As a classmate of Richard in the IALP, I remember him well. He was a great person who personified the word "gentleman" - and for that we all stand a little taller and walk a little quicker because of the positive effect he had on our lives. May he rest in peace and his family never forget the superb gentleman and husband and father he was. Use him as a role model in your words and deeds - and never forget the positive influence he had on you and those around you. Rest in peace Richard until we all meet again in heaven.

My dear Karen.

I know I am probably the last person you want to hear from right now. But I needed to try. I didn't know about Pete until about a month ago. Stacey found it on the internet. Of course Jon knew, but chose not to tell anyone. All of us, Me, Troy and Stacey are saddened by the loss of Pete. For some reason, we still feel a family connection to you and the kids. If there is anything you need or want, please feel free to reach out to me, 818 439-2607. You're still my step-daughter Karen, and I love you dearly. Always have, always will.

Love you

Bonnie
