“ Rob was a great friend to both of us who we loved and treated like a family member. We spent many holidays together and enjoyed his company. We were priveleged to have Rob particiapte in our wedding and remember how nervous and honored he was. All of the good times we had together will never be forgotten. He was a very caring and generous person that would go out of his way to help a friend out. Rob will be truly missed by all.

Our condolences go out to all his friends and family.

"Rob, Rob the Heart Throb will never be forgotten."

“ Rob was truly one of the most beautiful and generous persons I ever had the pleasure of knowing. I feel very lucky to have had him as a friend all these years.

Rob, you were ONE OF A KIND! I never met anyone with such a love for cowboy boots and the TV game show "Jeopardy."

You were such a positive soul and made quite an impact on my life. I am going to miss you a great deal.

My very deepest condolences to Rob's family and friends.

“ Friends like Rob are a once in a lifetime blessing. He was the best roommate I ever had, and I will miss our fights about needing a bigger T.V. and custody over the Cats. My condolences and prayers are with his family and close friend. You will forever be in my heart, Rob!

“ Rob was a rare breed of a person. A truly caring heart, a great listener and someone who always had a talent for making the worst situations seem like just another day. Though the times weren't enough, I enjoyed the time I spent with him this past year and all years prior. Rob, you will be sorely missed and I will hold close all the late night, smokey talks about RC vehicles, cameras, sci-fi and women. Bacon will never be the same!
