“ *Dear Pat and family:  
My heartfelt sympathy goes to you and all of your family today as we all mourn the death of Bobby Dean. I know how much he loved all of you and especially the love he had for his grandson. Bob's eyes would light up when he was telling me of some of the adventures the two of them had on some of their excursions. I pray God will be with all of you during these days and that He will give you comfort as you remember all of the good memories you have shared as family members.*

“ *Dear Pat,  
Bob was a good friend and school mate. I was glad to see and talk with you both at our last class reunion. Bob was always on the honor roll, but always a regular guy. I can't get out like I used too, but will be remembering you in our prayers.*
